An exempt organization must make available for public inspection, upon request and without charge, a copy of its original and amended annual information returns. Each information return must be made available from the date it is required to be filed (determined without regard to any extensions), or is actually filed, whichever is later. An original return does not have to be made available if more than 3 years have passed from the date the return was required to be filed (including any extensions) or was filed, whichever is later. An amended return does not have to be made available if more than 3 years have passed from the date it was filed.

An annual information return includes an exact copy of the return and amended return, if any, and all schedules, attachments, and supporting documents filed with the IRS.

For returns filed by Section 501(c)(3) organizations after August 17, 2006, Form 990-T must also be made available for public inspection. BASIS OF ACCOUNTING

The accompanying Form 990-PF, Return of Private Foundations, has been prepared in the format according to the instructions of the Internal Revenue Service. Consequently, certain revenue and related assets are recognized when received rather than earned, and certain expenses are recognized when paid rather than when the obligation is incurred. McGREGOR FUND
(38-0808800)

YEAR ENDED JUNE 30, 2015

GRANT CRITERIA AND OTHER INFORMATION
REQUIRED UNDER PART XV, LINE 2

Grant requests are accepted online. Contact the Fund for log in information at 333 W. Fort Street, Suite 2090, Detroit, MI 48226. Telephone (313)963-3495 during regular business hours. Requests include a narrative letter stating briefly and clearly specific purpose of the request, signed by a responsible officer of the organization requesting funds, and to the fullest extent possible, complying with the following requirements:

a. State the specific amount requested and complete explanation of the necessity therefore.

b. State whether aid is presently being sought from other foundations and sources or whether such solutions are contemplated and if so, name them. (This is for information purposes only and not to be construed to mean we discourage aid from other sources; rather we prefer to participate with other donors.)

c. All applications must be executed by persons so authorized on behalf of the tax-exempt organization. Applications and/or letters of inquiry signed by a division or departmental head must be approved and countersigned by the chief executive officer of the institution or organization.

In addition, each grant request should include the following:

a. The organizations tax exempt letter from the Internal Revenue Service under §501(c)(3).

b. The organization classification under §509(a) of the Code or a copy of Form Notification of Foundation Status.

c. The latest audited financial statements including a Balance Sheet and Income and Expense Statement.

d. The detailed budget of the proposed project for which funding is requested.

e. An explanation as to the reasonable financial potential to achieve the purpose, and to sustain on a continuing basis the operation of the project being financed.

f. A listing of Officers and Board of Directors.

If the organization is a public charity as described in §170(b)(1)(A)(vi) or §509(a)(2) of the Internal Revenue Code of 1954, then the following additional information is required:

a. A written statement that the requested grant will not result in the loss of such organizations classification as publicly supported, signed by a responsible officer and further factual information which will be required by the Fund upon which reliance of public charity status can be determined on a current basis.

b. If a grant could be defined as an unusual grant under IRS regulations, then an affirmation letter from the Service may be required.

In an effort to utilize its limited resources wisely and because it receives more requests that it can support, McGregor Fund adheres to the following guidelines for its grantmaking activities:

a. The geographic area of the fund is limited principally the Detroit metropolitan area, which is defined as Wayne, Oakland and Macomb counties, except for three grants made as individual trustee selections to both elementary or secondary schools and higher educational institutions with the United States.

b. All grant decisions are the responsibility of the Board of Trustees. Trustee meetings are scheduled four times per year, in March, June, September, and December. Grant requests may be submitted at any time, but requests may take up to three months for staff review. Therefore, applicants are encouraged to submit proposals well in advance of the Trustee meeting where their proposal is to be considered.

c. The Fund does not…
   1. Provide loan funds.
   2. Make direct grants to students for scholarships.
   3. Make grants for travel, conferences, seminars or workshops.
   4. Make grants to individuals.
